2 :13:38 PM	Court	Will talk with Judge Whatkins about it; Discussion as the pending motions; Will DENY the motion to shorten time for discovery responses - the court will redo the schedule; If the discovery goes forward under a normal schedule the parties would have the authority to conduct third party discovery in regards to that check; The court will DENY that without prejudice; Discussions as to motion to compel filed by Sheriff Warren; The will DENY this motion because it doesn't meet the requirements of Rule 26 and Rule 37;

Gray, Sr.	Response regarding the letter delivered to counsel; there was a conference; The motion may be moot at this time; there was a subsequent response the basically said that they don't have them; There is one document that they submitted to us that indicated an attachment of the agreement between, Reach One, Teach One and MCII, which was not attached to the response; That' the only thing outstanding;
